## OWNERSHIP ROTATION SCHEDULE (Belmont & Sandfield 9)

The rotation schedule has been arranged in a fair and equitable manner and ensures that all owners over time can enjoy all holidays, peak seasons and breaks.

Summer weeks are fixed and chosen by the buyers at the time of purchase. Two weeks annually are used for maintenance.

The other forty weeks, one in each of four ten-week segments, rotates each Friday.

Each year the schedule rotates one place. The rotation schedule returns to Year 1 every ten years.
